CITY OF MAPLE VALLEY, WASHINGTON

ORDINANCE NO. O-18-645

AN ORDINANCE OF THE CITY OF MAPLE VALLEY, WASHINGTON, AUTHORIZING THE ISSUANCE OF LIMITED TAX GENERAL OBLIGATION BONDS IN THE AGGREGATE PRINCIPAL AMOUNT OF NOT TO EXCEED \$4,000,000 TO FINANCE COSTS RELATED TO CONSTRUCTING, IMPROVING, DEVELOPING, AND EQUIPPING PARK AND RECREATIONAL FACILITIES AT SUMMIT PARK AND PAYING COSTS OF ISSUING THE BONDS; PROVIDING THE FORM, TERMS AND COVENANTS OF THE BONDS; DELEGATING AUTHORITY TO APPROVE THE FINAL TERMS OF THE BONDS; AND PROVIDING FOR OTHER MATTERS RELATING THERETO.

WHEREAS, the City of Maple Valley, Washington (the “City”) owns and operates park and recreational facilities, including Summit Park; and

WHEREAS, on December 4, 2017, the City Council (the “Council”) adopted a Master Plan for the development of Summit Park, which identified and prioritized capital needs at this park and recreational facility including, but not limited to, the construction, improvement, development, and equipping of ballfields, multi-purpose athletic fields, a skate park, playgrounds, picnic shelters, restrooms, walking trails, parking facilities and other park improvements (together, the “Projects”) that will serve the community, the City’s Parks and Recreation Department programs, and Tahoma High School athletic teams; and

WHEREAS, after due consideration the Council has determined that it is in the best interest of the City to authorize the issuance and sale of limited tax general obligation bonds (as further defined herein, the “Bonds”) to pay and/or reimburse the City for a portion of the costs of the Projects and to pay costs of issuance for the Bonds; and

WHEREAS, this Council wishes to delegate authority to the City Manager and the Finance Director, or his or her designee (each, a “Designated Representative”), for a limited time, to approve the interest rates, maturity dates, redemption terms and principal maturities for the Bonds within the parameters set by this ordinance; and

WHEREAS, the City expects to receive a proposal from Piper Jaffray & Co. (the “Underwriter”) and now desires to issue and sell the bonds to the Underwriter as set forth herein;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF MAPLE VALLEY, WASHINGTON, DO ORDAIN AS FOLLOWS:

Section 2. Findings; Authorization of the Projects.

(a) The City is classified as a noncharter code city operating under the council-manager plan of government as set forth in chapter 35A.21 RCW, endowed with all the applicable rights, powers, privileges, duties and obligations of noncharter code cities as set forth in Title 35A RCW as the same now exists, including, but not by way of limitation, those set forth in chapter 35A.11 RCW, and further including any and all supplements, amendments or other modifications of such title hereafter at any time enacted.

(b) The City owns and operates park and recreational facilities, including Summit Park. On December 4, 2017, the City Council adopted a Master Plan for the development of Summit Park, which identified and prioritized capital needs at this park and recreational facility including, but not limited to, the construction, improvement, development, and equipping of ballfields, multi-purpose athletic fields, a skate park, playgrounds, picnic shelters, restrooms, walking trails, parking facilities and other park improvements (together, the "Projects") that will serve the community, the City's Parks and Recreation Department programs, and Tahoma High School athletic teams. The Projects are to be more fully described in the plans and specifications prepared by and filed with the City.

(c) The cost of the Projects is expected to be at least \$11,736,278. The City does not have sufficient funds available to pay the cost of the Projects.

(d) The City is authorized by Article 8, Section 6 of the State Constitution and chapters 35A.21, 35.37, and 39.36 RCW to contract indebtedness or borrow money for its municipal purposes without a vote of the qualified electorate in an amount, when combined with

outstanding non-voter approved limited tax general obligation bonds, notes, leases and conditional sales contracts, of up to 1 1/2 % of the value of the taxable property within the City.

(e) The assessed valuation of the taxable property within the City as ascertained by the last preceding assessment for City purposes for the calendar year 2018 is \$3,665,996,644. The maximum principal amount of the Bonds authorized by this ordinance is \$4,000,000. Assuming the Bonds are issued in their maximum authorized amount, the incurrence of the Bonds authorized by this ordinance, together with outstanding limited tax general obligation bonds, notes, leases and conditional sales contracts of the City, would be within the constitutional and statutory limits on indebtedness within the City permitted for general municipal purposes without a vote of the qualified electors.

Section 3. Authorization of Bonds and Bond Details. For the purpose of paying and/or reimbursing the City for a portion of the costs of the Projects and paying costs of issuance, the City shall issue and sell its limited tax general obligation bonds in an aggregate principal amount not to exceed \$4,000,000 (the “Bonds”).

The Bonds shall be general obligations of the City and shall be designated “City of Maple Valley, Washington, Limited Tax General Obligation Bonds, 2018” with additional series designation or other such designation as determined to be necessary by a Designated Representative. The Bonds shall be dated as of the date of Closing; shall be fully registered as to both principal and interest; shall be in the denomination of \$5,000 each, or any integral multiple thereof, within a maturity; shall be numbered separately in such manner and with any additional designation as the Bond Registrar deems necessary for purposes of identification; shall bear interest from their date payable on the dates and commencing as provided in the Bond Purchase Contract; and shall mature on the dates and in the principal amounts set forth in the Bond Purchase Contract, as approved and executed by a Designated Representative pursuant to Section 12 of this ordinance.

Section 4. Registration, Exchange and Payments.

(a) *Bond Registrar/Bond Register.* The City hereby specifies and adopts the system of registration approved by the Washington State Finance Committee from time to time through the appointment of state fiscal agencies. The City shall cause a bond register to be maintained by the Bond Registrar. So long as any Bonds remain outstanding, the Bond Registrar shall make all necessary provisions to permit the exchange or registration or transfer of Bonds at its designated office. The Bond Registrar may be removed at any time at the option of the Finance Director upon prior notice to the Bond Registrar and a successor Bond Registrar appointed by the Finance Director. No resignation or removal of the Bond Registrar shall be effective until a successor shall have been appointed and until the successor Bond Registrar shall have accepted the duties of the Bond Registrar hereunder. The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this ordinance and to carry out all of the Bond Registrar’s powers and duties under this ordinance. The Bond Registrar shall be responsible for its representations contained in the Certificate of Authentication of the Bonds.

(b) *Registered Ownership.* The City and the Bond Registrar, each in its discretion, may deem and treat the Registered Owner of each Bond as the absolute owner thereof for all purposes (except as provided in the Continuing Disclosure Certificate), and neither the City nor the Bond Registrar shall be affected by any notice to the contrary. Payment of any such Bond shall be made only as described in Section 4(g), but such Bond may be transferred as herein provided. All such payments made as described in Section 4(g) shall be valid and shall satisfy and discharge the liability of the City upon such Bond to the extent of the amount or amounts so paid.

(c) *DTC Acceptance/Letters of Representations.* The Bonds initially shall be held by DTC acting as depository. The City has executed and delivered to DTC a Blanket Issuer Letter of Representations. Neither the City nor the Bond Registrar shall have any responsibility or obligation to DTC participants or the persons for whom they act as nominees (or any successor depository) with respect to the Bonds in respect of the accuracy of any records maintained by DTC (or any successor depository) or any DTC participant, the payment by DTC (or any successor depository) or any DTC participant of any amount in respect of the principal of or interest on Bonds, any notice which is permitted or required to be given to Registered Owners under this ordinance (except such notices as shall be required to be given by the City to the Bond Registrar or to DTC (or any successor depository)), or any consent given or other action taken by DTC (or any successor depository) as the Registered Owner. For so long as any Bonds are held by a depository, DTC or its successor depository or its nominee shall be deemed to be the Registered Owner for all purposes hereunder, and all references herein to the Registered Owners shall mean DTC (or any successor depository) or its nominee and shall not mean the owners of any beneficial interest in such Bonds.

(d) *Use of Depository.*

(1) The Bonds shall be registered initially in the name of "Cede & Co.", as nominee of DTC, with one Bond maturing on each of the maturity dates for the Bonds in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute depository appointed by the Finance Director pursuant to subsection (2) below or such substitute depository's successor; or (C) to any person as provided in subsection (4) below.

(2) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the Finance Director to discontinue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the Finance Director may hereafter appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) In the case of any transfer pursuant to clause (A) or (B) of subsection (1) above, the Bond Registrar shall, upon receipt of all outstanding Bonds together with a written request on behalf of the Finance Director, issue a single new Bond for each maturity of that series

then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the Finance Director.

(4) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (B) the Finance Director determines that it is in the best interest of the beneficial owners of the Bonds that such owners be able to obtain physical Bond certificates, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held by a depository. The Finance Director shall deliver a written request to the Bond Registrar, together with a supply of physical Bonds, to issue Bonds as herein provided in any authorized denomination. Upon receipt by the Bond Registrar of all then outstanding Bonds together with a written request on behalf of the Finance Director to the Bond Registrar, new Bonds of such series shall be issued in the appropriate denominations and registered in the names of such persons as are requested in such written request.

(e) *Registration of Transfer of Ownership or Exchange; Change in Denominations.* The transfer of any Bond may be registered and Bonds may be exchanged, but no transfer of any such Bond shall be valid unless it is surrendered to the Bond Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Bond Registrar. Upon such surrender, the Bond Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond (or Bonds at the option of the new Registered Owner) of the same date, maturity, and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Bond Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date, maturity, and interest rate, in any authorized denomination. The Bond Registrar shall not be obligated to register the transfer of or to exchange any Bond during the 15 days preceding any principal payment or redemption date.

(f) *Bond Registrar's Ownership of Bonds.* The Bond Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Bond Registrar, and to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the right of the Registered Owners or beneficial owners of Bonds.

(g) *Place and Medium of Payment.* Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Interest on the Bonds shall be calculated on the basis of a year of 360 days and twelve 30-day months. For so long as all Bonds are held by a depository, payments of principal thereof and interest thereon shall be made to Registered Owners as of the Record Date as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event that the Bonds are no longer held by a depository, interest on the Bonds shall be paid by check or draft mailed to the Registered Owners at the addresses for such Registered Owners appearing on the Bond Register on the Record Date, or upon the written request of a Registered Owner of more than \$1,000,000

of Bonds (received by the Bond Registrar at least by the Record Date), such payment shall be made by the Bond Registrar by wire transfer to the account within the United States designated by the Registered Owner. Principal of the Bonds shall be payable upon presentation and surrender of such Bonds by the Registered Owners at the designated office of the Bond Registrar.

If any Bond is duly presented for payment and funds have not been provided by the City on the applicable payment date, then interest will continue to accrue thereafter on the unpaid principal thereof at the rate stated on the Bond until the Bond is paid.

Section 5. Redemption Prior to Maturity and Purchase of Bonds.

(a) *Mandatory Redemption of Term Bonds and Optional Redemption.* The Bonds shall be subject to mandatory redemption to the extent, if any, set forth in the Bond Purchase Contract and as approved by a Designated Representative pursuant to Section 12. The Bonds shall be subject to optional redemption on the dates, at the prices and under the terms set forth in the Bond Purchase Contract approved by a Designated Representative pursuant to Section 12.

(b) *Purchase of Bonds.* The City reserves the right to purchase any or all of the Bonds offered to it at any time at a price deemed reasonable by the Finance Director plus accrued interest to the date of purchase.

(c) *Selection of Bonds for Redemption.* For as long as the Bonds are held in book-entry only form, the selection of particular Bonds within a maturity to be redeemed shall be made in accordance with the operational arrangements then in effect at DTC. If the Bonds are no longer held by a depository, the selection of such Bonds to be redeemed and the surrender and reissuance thereof, as applicable, shall be made as provided in the following provisions of this subsection (c). If the City redeems at any one time fewer than all of the Bonds having the same maturity date, the particular Bonds or portions of Bonds of such maturity to be redeemed shall be selected by lot (or in such manner determined by the Bond Registrar) in increments of \$5,000. In the case of a Bond of a denomination greater than \$5,000, the City and the Bond Registrar shall treat each Bond as representing such number of separate Bonds each of the denomination of \$5,000 as is obtained by dividing the actual principal amount of such Bond by \$5,000. In the event that only a portion of the principal sum of a Bond is redeemed, upon surrender of such Bond at the designated office of the Bond Registrar there shall be issued to the Registered Owner, without charge therefor, for the then unredeemed balance of the principal sum thereof, at the option of the Registered Owner, a Bond or Bonds of like maturity and interest rate in any of the denominations herein authorized.

(d) *Notice of Redemption.*

(1) Official Notice. The notice of redemption may be conditional. Unless waived by any owner of Bonds to be redeemed, official notice of any such redemption (which redemption may be conditioned by the Bond Registrar on the receipt of sufficient funds for redemption or otherwise) shall be given by the Bond Registrar on behalf of the City by mailing a copy of an official redemption notice by first class mail at least 20 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to

be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar. Notwithstanding the foregoing, so long as the Bonds are held by a depository, notice of redemption shall be given in accordance with the operational arrangements of DTC as then in effect, and neither the City nor the Bond Registrar shall provide any notice of redemption to any Beneficial Owners.

All official notices of redemption shall be dated and shall state:

- (A) the redemption date,
- (B) the redemption price,
- (C) if fewer than all outstanding Bonds are to be redeemed, the identification by series and maturity (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (D) any conditions to redemption,
- (E) that unless conditional notice of redemption has been given and such conditions have either been satisfied or waived, on the redemption date the redemption price shall become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and
- (F) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated office of the Bond Registrar.

On or prior to any redemption date, unless such notice of redemption has been rescinded or revoked, the City shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date. The City retains the right to rescind any redemption notice and the related optional redemption of Bonds by giving notice of rescission to the affected Registered Owners at any time on or prior to the scheduled redemption date. Any notice of optional redemption that is so rescinded shall be of no effect, and the Bonds for which the notice of optional redemption has been rescinded shall remain outstanding.

(2) Effect of Notice; Bonds Due. If notice of redemption has been given and not rescinded or revoked, or if the conditions set forth in a conditional notice of redemption have been satisfied or waived, the Bonds or portions of Bonds to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. All Bonds which have been redeemed shall be canceled by the Bond Registrar and shall not be reissued.

(3) Additional Notice. In addition to the foregoing notice, further notice shall be given by the City as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (A) the CUSIP numbers of all Bonds being redeemed; (B) the date of issue of the Bonds as originally issued; (C) the rate of interest borne by each Bond being redeemed; (D) the series and maturity date of each Bond being redeemed; and (E) any other descriptive information needed to identify accurately the Bonds being redeemed. Each further notice of redemption may be sent at least 20 days before the redemption date to each party entitled to receive notice pursuant to Section 14 and the Continuing Disclosure Certificate and with such additional information as the City shall deem appropriate, but such mailings shall not be a condition precedent to the redemption of such Bonds.

(4) Amendment of Notice Provisions. The foregoing notice provisions of this Section 5, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes in order to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.

Section 6. Form of Bonds. The Bonds shall be in substantially the form set forth in Exhibit A, which is incorporated herein by this reference.

Section 7. Execution of Bonds. The Bonds shall be executed on behalf of the City by the facsimile or manual signature of the Mayor and shall be attested to by the facsimile or manual signature of the City Clerk, and shall have the seal of the City impressed or a facsimile thereof imprinted, or otherwise reproduced thereon.

In the event any officer who shall have signed or whose facsimile signatures appear on any of the Bonds shall cease to be such officer of the City before said Bonds shall have been authenticated or delivered by the Bond Registrar or issued by the City, such Bonds may nevertheless be authenticated, delivered and issued and, upon such authentication, delivery and issuance, shall be as binding upon the City as though said person had not ceased to be such officer. Any Bond may be signed and attested on behalf of the City by such persons who, at the actual date of execution of such Bond shall be the proper officer of the City, although at the original date of such Bond such persons were not such officers of the City.

Only such Bonds as shall bear thereon a Certificate of Authentication manually executed by an authorized representative of the Bond Registrar shall be valid or obligatory for any purpose or entitled to the benefits of this ordinance. Such Certificate of Authentication shall be conclusive evidence that the Bonds so authenticated have been duly executed, authenticated and delivered hereunder and are entitled to the benefits of this ordinance.

Section 8. Application of Bond Proceeds. The Finance Director is hereby authorized to create a fund or account (the "Project Fund"), and subaccounts therein as necessary, for the purposes set forth in this section. A portion of the proceeds of the Bonds net of any

Underwriter's discount and fees, shall be deposited in the Project Fund in the amounts specified in the closing memorandum prepared in connection with the issuance of the Bonds. Such proceeds shall be used to pay and/or reimburse the City for the costs of the Projects and to pay costs of issuance of the Bonds. To the extent the City makes capital expenditures for the Projects prior to the date the Bonds are issued, the City intends to reimburse all or a portion of those capital expenditures out of proceeds of the Bonds as permitted by U.S. Treasury Regulation 1.150-2(d).

The Finance Director shall invest money in the Project Fund and the subaccounts contained therein in such obligations as may now or hereafter be permitted to cities of the State by law and which will mature prior to the date on which such money shall be needed, but only to the extent that the same are acquired, valued and disposed of at Fair Market Value.

Upon completion of the Projects, or their completion duly provided for, or its completion found to be impractical, the City may apply Bond proceeds (including interest earnings thereon) to other capital projects of the City or transfer such proceeds to the Debt Service Fund after consultation with Bond Counsel.

Section 9. Tax Covenants. The City will take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds, including but not limited to the following:

(a) *Private Activity Bond Limitation.* The City will assure that the proceeds of the Bonds are not so used as to cause the Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

(b) *Limitations on Disposition of Projects.* The City will not sell or otherwise transfer or dispose of (i) any personal property components of the Projects other than in the ordinary course of an established government program under Treasury Regulation 1.141-2(d)(4) or (ii) any real property components of the Projects, unless it has received an opinion of nationally recognized bond counsel to the effect that such disposition will not adversely affect the treatment of interest on the Bonds as excludable from gross income for federal income tax purposes.

(c) *Federal Guarantee Prohibition.* The City will not take any action or permit or suffer any action to be taken if the result of such action would be to cause any of the Bonds to be "federally guaranteed" within the meaning of Section 149(b) of the Code.

(d) *Rebate Requirement.* The City will take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds.

(e) *No Arbitrage.* The City will not take, or permit or suffer to be taken, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the

Bonds would have caused the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

(f) *Registration Covenant.* The City will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code until all Bonds have been surrendered and canceled.

(g) *Record Retention.* The City will retain its records of all accounting and monitoring it carries out with respect to the Bonds for at least three years after the Bonds mature or are redeemed (whichever is earlier); however, if the Bonds are redeemed and refunded, the City will retain its records of accounting and monitoring at least three years after the earlier of the maturity or redemption of the obligations that refunded the Bonds.

(h) *Compliance with Federal Tax Certificate.* The City will comply with the provisions of the Federal Tax Certificate with respect to the Bonds, which are incorporated herein as if fully set forth herein. The covenants of this Section will survive payment in full or defeasance of the Bonds.

(i) *Bank Qualification.* The Bonds are hereby designated as “qualified tax-exempt obligations” under Section 265(b)(3) of the Code for investment by financial institutions. The City does not reasonably expect to issue more than \$10,000,000 of qualified tax-exempt obligations in the 2018 calendar year in which the Bonds are issued.

Section 10. Debt Service Fund and Provision for Tax Levy Payments. The City hereby authorizes the creation of a fund or account to be used for the payment of debt service on the Bonds (the “Debt Service Fund”). No later than the date each payment of principal or interest on the Bonds becomes due, the City shall transmit sufficient funds, from the Debt Service Fund or from other legally available sources, to the Bond Registrar for the payment of such principal or interest. Money in the Debt Service Fund may be invested in legal investments for City funds, but only to the extent that the same are acquired, valued and disposed of at Fair Market Value. Any interest or profit from the investment of such money shall be deposited in the Debt Service Fund.

The City hereby irrevocably covenants and agrees for as long as any of the Bonds are outstanding and unpaid that each year it shall include in its budget and levy an *ad valorem* tax upon all the property within the City subject to taxation in an amount that will be sufficient, together with all other revenues and money of the City legally available for such purposes, to pay the principal of and interest on the Bonds as the same shall become due.

The City hereby irrevocably pledges that the annual tax provided for herein to be levied for the payment of such principal and interest shall be within and as a part of the property tax levy permitted to cities without a vote of the electorate, and that a sufficient portion of each annual levy to be levied and collected by the City prior to the full payment of the principal of and interest on the Bonds will be and is hereby irrevocably set aside, pledged and appropriated for the payment of the principal of and interest on the Bonds. The full faith, credit and resources of the

City are hereby irrevocably pledged for the annual levy and collection of such taxes and for the prompt payment of the principal of and interest on the Bonds when due.

by this Section 12 shall expire 180 days after the effective date of this ordinance. If a Bond Purchase Contract for the Bonds has not been executed within 180 days after the effective date of this ordinance, the authorization for the issuance of the Bonds shall be rescinded, and the Bonds shall not be issued nor their sale approved unless such Bonds are re-authorized by ordinance of the Council. The ordinance re-authorizing the issuance and sale of such Bonds may be in the form of a new ordinance repealing this ordinance in whole or in part or may be in the form of an amendatory ordinance approving a Bond Purchase Contract or establishing terms and conditions for the authority delegated under this Section 12.

Each Designated Representative is hereby authorized to execute and deliver a Continuing Disclosure Certificate upon the issuance, delivery and sale of the Bonds with such terms and provisions as such officer shall deem appropriate and in the best interests of the City.

Section 15. Lost, Stolen or Destroyed Bonds. In case any Bonds are lost, stolen or destroyed, the Bond Registrar may authenticate and deliver a new Bond or Bonds of like amount, date and tenor to the Registered Owner thereof if the owner pays the expenses and charges of the Bond Registrar and the City in connection therewith and files with the Bond Registrar and the City evidence satisfactory to both that such Bond or Bonds were actually lost, stolen or destroyed and of his or her ownership thereof, and furnishes the City and the Bond Registrar with indemnity satisfactory to both.

Section 16. Severability; Ratification. If any one or more of the covenants or agreements provided in this ordinance to be performed on the part of the City shall be declared by any court of competent jurisdiction to be contrary to law, then such covenant or covenants, agreement or agreements, shall be null and void and shall be deemed separable from the remaining covenants and agreements of this ordinance and shall in no way affect the validity of

the other provisions of this ordinance or of the Bonds. All acts taken pursuant to the authority granted in this ordinance but prior to its effective date are hereby ratified and confirmed.
